

Main Door  
Wood frame +  
Slated 2"x2"  
wood slats

Stain all to match house wood fence

Rule

$$3/16" = 1' - 0"$$

A black Jeep Liberty SUV is parked in a concrete garage. The rear of the vehicle is visible, showing a spare tire cover with "Jeep LIBERTY" text and a license plate "6RAL356". The garage has concrete walls and a dark, ribbed ceiling. A red arrow points from a text box to the ceiling. To the right, there is a brown metal rolling cabinet and some debris on the floor.

wall mount bracket  
here

Diagram illustrating a storage area with concrete walls and a gravel floor. A red arrow points to a bracket on the wall, labeled:

wall mount bracket  
for double sliding  
track system

wall mount bracket  
for sliding door  
tracks
